WE ARE A WEB & SOFTWARE ENGINEERING COMPANY

IPHITECH INTERNSHIP TRACK

Traditionally our industry has used Lorem Ipsum, which is placeholder text written in Latin. Unfortunately, not everyone is familiar with Lorem Ipsum and that can lead to confusion. I can't tell you how many times clients have asked me why their website is in another language!

DAY 1 & 2

HTML, CSS

- Refresh the HTML and CSS knowledge of new interns
- Host an HTML + CSS Webinar for the interns
- Provide HTML + CSS Training Activity
- Provide guidance to struggling interns
- Collect the output of the intern's HTML + CSS
- Test intern's knowledge of HTML and CSS via quiz

DAY 3 & 4

WORDPRESS, ELEMENTOR

- Train interns on how to use Wordpress
- Train interns on how to use Elementor
- Host a Wordpress + Elementor Webinar for interns
- Provide a Wordpress + Elementor Training Activity
- Collect the output of the intern's Wordpress + Elementor Training Activity
- Test intern's knowledge of Wordpress and Elementor via quiz

DAY 5 & 6

OXYGEN

- Train interns on how to use Wordpress
- Train interns on how to use Oxygen
- Host an Oxygen Webinar for interns
- Provide guidance to struggling interns
- Collect the output of the intern's Oxygen Training Activity
- Test intern's knowledge of Oxygen via quiz

SCHOOL PARTNERS

RETENTION POLICIES:

We are truly committed to preparing our interns to be equipped with skills and industry practices which will enable them to land a job in the IT industry.

1. All interns must strictly follow the approved internship schedule.

Any changes in internship schedule must be communicated and approved by the Management.

We prefer interns who can do full-time internship where 8 hours will be rendered each working day.

Approved absences may be granted to each intern when deemed necessary by the Management. (Case to case basis)

2. Attendance is one of the critical factors in successful completion of their internship in the Company. We don't tolerate absences and tardiness among our interns and employees.

Hence, the Management has the sole discretion to kick out any interns who are non-adherent to our work practices and standards. We don't tolerate habitual and unexcused absences which are related to:

- ⊗ Power interruption
- ⊗ Internet issues
- ⊗ Communication issues
- ⊗ Unplanned family events
- ⊗ Unplanned personal activities

3. Behavior is another factor that we pay serious attention to among our interns. Our employees are well disciplined in that craft that they do at work. So, we expect the same level of discipline and respect from our interns too.

Hence, the Management has the sole discretion to kick out any interns who are deliberately misbehave and disrupt our culture, work practices and standards.

- ⊗ Integrity issue
- ⊗ Dishonesty
- ⊗ Disrespect
- ⊗ Breach of Confidentiality Agreement
- ⊗ Deliberate disobedience
- ⊗ Discrimination

4. Non-performance. As your industry partner for the Internship Program, we ensure that your students are given all-out support and training which enable them to be successful in completing their assigned tasks. In return, we expect our interns to do their part to diligently brush up their skills and study during their spare time.

Hence, the Management has the sole discretion to kick out any interns who have earned low performance evaluation scores which are observed to be continuously declining (or stagnant) week by week despite the all-out support given to them.

Continued support and compliance to all iPhiTech's policies, activities and initiatives. All interns are expected to show strong compliance and support to all the social media and digital marketing efforts of the company by actively participating in liking, engaging, commenting and sharing iPhiTech's social media posts to their respective social media accounts. Active participation is deemed strong compliance to the daily activities set for all of our interns.
